### **ZOOM - Board of Directors Meeting MINUTES February 17, 2021 - 12:00 to 1:30**

#### **1. Welcome and Introduction to Meeting (Bergen) 12:00-12:05**

Called to order Bergen

Quorum established, call to order. Welcome by Chuck Bergen. Recap we had a couple of great events Global networking, Gates event and some good events coming in march.

#### **2. Ongoing Matters 12:05-1:00**

- Approval of December 2020 Draft Board Minutes (Knoebel)

Approve minutes, table for corrections to January minutes.

- Financial Committee Report (Lucado)

Not much happening in financials this year. Still sizable balance 224K+ is a hefty balance for this club. PL shows we are in black, Net income just over \$50k. Pandemic has not hit us overly much this year. We are much better established with new bookkeeping and back office, which is saving us expenses. Really never considered we would make money on individual events. We appear a little behind last year our actual is we are even to last year. Club operating at a much lower baseline expense level. Bernat, thought to how to invest the balance or earn some money on our money. From a fiduciary perspective, we have to mitigate risk so investments could be a very real risk. Generally, we have shied away from investments. Stone suggest we look into HBS Crimson investment club, seem to do well with performance. We will continue the discussion, but we need to be incredible careful with our fiduciary duties. Halas suggested research such as nakubo (sp?). Add to agenda for next meeting.

- Membership Committee Report (Zeng, Trotter, Halas)

Trotter, a lot has been going on with campaign. Introduction of 5 and 10 year have shown interest for former members and is a good response, Jan and Feb numbers are up from previous years. Reaching out to non-member alums who are interested in what we have going on. Halas, we have 6 books ready to go out. Conversation Chicago Council on Global affairs to have co-branded events. Club Shop is moving forward too. A couple of years of conversation has led to ideas for a club shop merchandise. Look at class of 2025 for graduates coming to Chicago. If Chicago is in their profile they are automatically synced to our database.

- Schools Committee Report (Palmer)

We have another 500+ interviews to conduct before interviewing season is done. This year we aren't doing interview marathons, so we are pressed to do the individual interviews by Feb. 20<sup>th</sup>. Newsletter has been effective to get some more interviewers. 1800 this year instead of our usual 1500 interview requests.

- Communications Committee Report (Ribaud, Minkoff)

The marketing and communication sub committees are meeting social, database, web site, etc. 6 new volunteers are helping. Club Calendar ability to put master calendar together for all club activities, "teamup", both a calendar and a tracking system. Permissions will be allowed for calendar. In general, two Facebook groups have been effective for the club. Looking to newer platforms as well, need to be everywhere at least a little bit.

- Programs Committee Report (Schaumberger, Koh, Mendez, Yoon)

March 10 Larry Rosen President of Edison Research

March 30 Mark Kirk Former Us Senator

HBS March 4 Charlie Rifkin Motion Picture of America

March 16 Jonathan Alter with Harvard Club of Washington DC.

March 25 Mixer with Harvard Club of So. Cal.

Future

Paula Daniluic - Thoughtluck with have been fun events.

Chicago Council on Global Affairs interested in cobranded future event. Possibly April.

Doshi working on Environmental program for next month or two.

Amaker, Nowak Speakers bureau working with liz Jackson for another speaker from bureau.  
 Valerie Beck is a chocolate historian might be an interesting opportunity (Valentine's day coming up)  
 Eatily will teach and work with you on how to make your own pizza, when we can get back together in person it might be a fun event.  
 Shedd and Museum of Science and Industry are still on the list.

- Community Service (Hochstadt)

Education Program at Cook County Department of Corrections is very close to launch, Feb or March launch. Collaboration with Dept. of Corrections which is qualifying potential students. Nearly 30 volunteer tutors have come from Newsletter. We could have as many as 50 or 60 students. Idea to support inmates when they are released.

- Internship Ad hoc committee (Schwartz, Acevedo)

HCC members and their organizations with Harvard students. Spoke with CASH and had a great response. Now more than ever the internships are important. Started setting up a draft email. Put notice in newsletter.

- Ad Hoc Committee (Bergen, Knoebel)

Considering the welcoming ad hoc committee and put on calendar for March.

- Administration

Membership and outreach and community service is working very well thus far.

HBS doesn't want to do joint events or crossover events. We will be welcome as "non-member" participants. The \$10 crossover fee is no longer valid for HCC members; However, The HCC will still allow any HBS member who has paid the \$10 to be part of the HCC events as a member. We welcome all Harvard community to our memberships. We will refund HCC members if they make the demand for refund because the program is no longer valid. HCC welcomes all. Working on grandfathering in current arrangement until June.

- Annual Award Dinner

Plan is to do dinner in person. Looking at September 18. Put on March Agenda for more details. Dr. Ezike is current speaker. This is an uncertain venture.

#### **2. Ongoing Matters 12:05-1:00**

- Approval of December 2020 Draft Board Minutes (Knoebel)

Approve minutes Motion Koh Second Wong unanimous

- Financial Committee Report (Lucado)

Net income just over 55,000. Not a meaningful difference in financials. We are healthy. Total equity is about 218,000. Expenses are minimal, program 0, only about 9600 in admin expenses, We will finish out the year well into the black.

- Membership Committee Report (Zeng, Trotter, Halas)

Added 5 and 10 year memberships is live now. Book program is underway, have managed to distribute 2 already and opening to general membership. Steady increase of new members. Small discrepancy with Alumni Magnet, numbers aren't as good as normal year but still very good, only don a little. Make it easier for people to join and for people to stay. Trying to make communications a little more frequent. Updating look and language of membership pages. Building community with other graduate schools.

- Schools Committee Report (Palmer)

Delighted to announce 24 new admits early action in addition to 12-13 who deferred from previous year. Regular action interviews underway and reports are due Feb 12. A lot more applicants that need interviews, from 1500 to 1700 this year, so let's make sure we have interviewers ready and interviewing. Harvard is opening up S and S meetings to more participants we will now have 8-9 attending with co-chairs involved too. Permanently demoted/discontinued SAT and written scores from admissions.

- Communications Committee Report (Ribaudo, Minkoff)

Looking at revamping the web site, looking at platforms. Looking at newsletter and platform. Making communications a little more organized working with programs and how we market them. Having first meeting next week to make recommendations to the board. Working with Chandra and changes to Alumni Magnet. Basic gist is we can email outside of A.M.

January 12, John Gates Event

FUTURE

Valerie Beck is a chocolate historian might be an interesting opportunity (Valentine's day coming up)

Idea to have “How Harvard HAA, overseer, director positions work” program. HAA is doing a study of moving the role of these positions forward.

Eatily will teach and work with you on how to make your own pizza, when we can get back together in person it might be a fun event.

Harvard has a new opportunity to put another professor on from the speaker’s bureau.

Other interesting events with HBS club

- Community Service (Hochstadt)

Education Program at Cook County Department of Corrections. Tutoring for GED and financial literacy then monitoring assignments starting online then hopefully in person in the near future. Have a core of 7-9 tutors for 20 or so students. Bergen this is a good thing for the club and we are broadening our reach.

- Administration (Bergen)

Storage is now on club credit card. Looking for less expensive alternative. Distribute research materials from the 150-year project. Reach out to Houghton library.

In discussions with HBS regarding programs and their new relationship with HCC.

- New Business (Bergen)

Palmer think about what we can do about internships. Think about opportunity for interns. HAA is doing more than Crimson careers, Phil Acevedo was involved in this effort, discussed it with J Schwatz and looking to engage broader membership. Looking for student input. Palmer the CASH leadership has changed and will connect. Put on agenda for February. Phil will be point person on this effort. Election information for our board and membership. Elections in April – May. Put in Newsletter. Global networking night tomorrow night.

#### Annual Award Dinner

Hope we will be able to do the Award Dinner in person. Check with Dr. Ezike calendar. Need to think about the venue, marketing, other speakers, etc. Think about dinner particulars and put onto Feb. agenda. Call for volunteers. Shu look at outdoor venues, investigate capacity and capability.

Move to adjourn. Koh, second Wong.
